RED KALI KRATOM	Red Kali Kratom is very similar to Bali but with even greater soothing aroma. The Kali refers to the Kalimantan region from where the leaves are harvested.	5g	5-6h	Euphoric Emerging Soothing
GREEN MALAY KRATOM	Green Malay Kratom is known for its strong euphoric and gentle energizing aroma. Malays also known for its long lasting aroma, which can be up to 8 hours in duration. It is surprising that this variety is not more widely used and is considered a gem by many kratom users.	5g	7-8h	Euphoric Emerging Soothing
THAI GREEN VEIN KRATOM	Thai Green Vein kratom is a popular variety, however most of it is grown outside Thailand since the ban of 1943. Our variety is grown in Indonesia. The Thai strain is known for its energizing aroma.	5g	5-6h	Euphoric Emerging Soothing
THAI RED VEIN KRATOM	Thai Red Vein Kratom gets its name from the noticeable red "vein" on the backside of the kratom leaf. The aroma appears to be more relaxing and less stimulating than their green vein cousins but are rumored to be longer lasting. Many people like to mix this product with the green vein variety.	5g	7-8h	Euphoric Emerging Soothing
MAENG DA KRATOM	Maeng Da kratom is a genetically modified variety of Thai Kratom. It is the strongest kratom strain available today. According to users, Maeng Da is praised for its incredibly energizing and euphoric aroma.	4g	5-6h	Euphoric Emerging Soothing
WHITE VEIN BORNEO KRATOM	White Vein Borneo kratom is known for its energizing as well as euphoric aroma. Often referred to as the poor man's Maeng Da, it can be used as a substitute or blended with Maeng Da to extend and preserve the premium leaf.	5g	5-6h	Euphoric Emerging Soothing
25X KRATOM EXTRACT	Our 25X Kratom Extract is made from the Bali leaves. Please note that an extract 25x does not mean the product is 25 times stronger; the factor indicates the reduction from starting plant material to the final product. Because of this you need to consume less material. Extracts tend to be for experienced kratom users who are looking to use less plant material for the same aroma.	0.5-1g	5-6h	Euphoric Emerging Soothing
ULTRA ENHANCED INDO - UEI	Ultra Enhanced Indo - UEI Kratom is to carry what UEI is to kratom. The best of the very best. Known for its strong soothing and euphoric properties, UEI begins with Premium Indonesian Kratom Leaf, which is finely powdered and enhanced with a generous helping of ultra-potent 2,3,6-MDA and Mitragline which are the natural alkaloids of kratom.	0.5g	7-8h	Euphoric Emerging Soothing
HORNED RED VEIN KRATOM	Horned Red Vein kratom gets its name from the distinctive pointy edges of its leaves which resemble little horns. Users compare horned red vein to Thai red vein kratom, but it is said to be even more potent and longer lasting. This is a night-time strain, praised by users for its soothing and relaxing aromas.	2g	7-8h	Euphoric Emerging Soothing
HORNED WHITE VEIN KRATOM	Like its red cousin, horned white vein kratom's leaves are characterized by jagged, pointed edges which appear "horned" in comparison to the rounded appearance of other kratom types. This morning kratom variety holds uplifting, stimulating and energizing aromas which makes it a great choice for those who seek these feelings.	2g	5-6h	Euphoric Emerging Soothing
RED MALAY KRATOM	As opposed to its energetic green cousin, red Malay is said to have more soothing and relaxing aromas, which are also very long lasting. This strain is known for its high potency so a little bit goes a long way. Some users have described red Malay as a "daytime red vein".	2g	7-8h	Euphoric Emerging Soothing
RED VEIN SUMATRA KRATOM	Like most red kratom strains, red vein Sumatra has soothing, relaxing and calming aromas, but is one for energizing and uplifting too. On the other hand, some users report that red vein Sumatra doesn't bring along the feeling of tiredness of other red varieties.	5g	7-8h	Euphoric Emerging Soothing
GREEN VEIN SUMATRA KRATOM	Thanks to its bold aromas, green Sumatra is one of the most popular strains among kratom users.
